HAVANT BINGO PLAYER CALLS 'HOUSE' ON £50,000 JACKPOT

A lucky Havant bingo fan received an unexpected boost to her night at **Crown Bingo Leigh Park**, when she called 'house' on a life changing £50,000 Jackpot on the **National Bingo Game**.

The lucky winner, a 44 year old regular at **Crown Bingo** Havant, was at the club on Friday 6th August, enjoying a catch up and her regular Friday night bingo with her Dad and sister when the evening became far more exciting than they had ever imagined. While playing the **National Bingo Game** she heard all her numbers roll off the caller's tongue, leading to a full house and successfully claiming the club prize and a whopping £50,000 Jackpot.

At first the lucky winner could not believe it and was just expecting the house prize. When the announcement was made that she had in fact won the top Jackpot Prize of £50,000 too, she fell silent as the club erupted in cheers around her.

Gary Bell, General Manager for **Crown Bingo** said, "It's fair to say our lucky winner was in quite a state of shock: who wouldn't be on finding out your Friday night bingo had just changed your life in an amazing way.

"The big win also shocked the team working on the night as the caller, realising that they might have a very big win, called the assistant manager to the stage to make doubly sure that the win was valid. Confirming that it was, the announcement was made and everyone in the club started clapping and cheering. It's great to have a big win in the club, as it gives everyone a lift, and really nice to see it go to a regular customer.

"It has been such a shock for the winner that I genuinely believe they don't yet have a clue what they might do with their winnings, but I am sure that they will enjoy spending it when the time comes.

Alastair Stewart, Head of Commercial Operations at the **National Bingo Game** said: “We are thrilled for our lucky **National Bingo Game** £50,000 Jackpot winner at **Crown Bingo** Havant – what a great way to start your weekend with a Friday night jackpot! I am sure when the realty settles in they will enjoy some treats and spending their winnings.”
